Day 2 Tokyo (B)

Enjoy breakfast at your hotel before joining a half day Cityrama Tour. See Tokyo's most famous temples, shrines and gardens on this morning tour.

Start the day with a visit to Meiji Shrine, dedicated to Emperor Meiji, the first emperor of modern Japan. The Shrine and the adjacent Yoyogi Park make up a large forested area within the densely built-up city. The spacious shrine grounds offer walking paths that are great for a relaxing stroll. Continue for a drive past the National Diet Building, the centre of Japan's politics, to the Imperial Palace East Garden for a walk around. The gardens are the former site of Edo Castle's innermost circles of defence, where today you can still see the remains of the moats, walls, entrance gates and several guardhouses. Continue to the Sensoji Temple, completed in 645 making it Tokyo's oldest temple.

You will also have time to browse through the Nakamise shopping street which leads to the temple. The tour concludes in the Ginza District- the fashion centre of the city and home to many upmarket shops and restaurants.
